WE RECYCLE

At the Good Food and Drink Company Depot, we take recycling and the impact on our environment very seriously.

We practice a Reduce – Reuse – Recycle policy across all our businesses and work very closely with local partners and suppliers to reduce the amount of waste going into landfill, resulting in production of harmful greenhouse gasses.

We recycle all paper, plastic, tin, glass, printer cartridges and most importantly all our food waste is placed in an anaerobic digester and the energy produced goes back into the local grid.

Working together with 'Surfers against Sewage' and 'Plastic Free North Devon' to reduce the need for single use plastics in our businesses as well as encouraging our suppliers to do the same, to protect our oceans and environment for future generations.

How to Order

Please be seated, all orders will be taken at the table. Ask your server for menus and daily fresh fish specials.

This menu was printed locally, using vegetable based inks on a 100% recycled card.

OUR FOOD

Fresh sustainable fish comes from day boats out of Appledore, Ilfracombe and South Devon; and our beef comes from local Devon & Exmoor suppliers. Bread comes freshly made from local bakeries, and our eggs are always free range.
